FINDYOURFLEET.ORG

FindYourFleet is brought to you by Fleet BID who are turning our town into a Wildlife Safari trail between the 21st July and the 1st September 2018, so turn yourself into an intrepid hunter and see if you can find the 7 large, exotic animal figures and two tropical birds taking over pavement and shop window space and even lurking inside some of the buildings along Fleet Road.

How well do you know your animals?

All you have to do is find the figure, locate the answer and answer the questions here in this booklet.

When you have completed your very own Wildlife Safari, simply post the booklet in the post box in the Hart Shopping Centre or The Harlington and you could win a special prize!
