

**Sign up to FleetWatch and help to prevent and reduce crime**

Fleet Business Improvement District has launched a FleetWatch Scheme with Hampshire Police designed to reduce and prevent crime in the town with DISC

**Who is it for?**

FleetWatch is available to retailers as well as bars, clubs, restaurants and taxis who operate in the evening.

The scheme includes Fleet town centre but can also cover as far as Church Crookham and Elvetham Heath.

**What is included**

<b>Digital Radio System</b>	<b>Online Computer System, DISC</b>
<ul style="list-style-type: none"> <li>• Connect to businesses in the FleetWatch Scheme to communicate about potential offenders and trouble makers.</li> <li>• Connected to Hampshire Police, allowing you to report suspicious behaviour and alert the police.</li> <li>• Connected to Hampshire Police control room, enabling them to control the direction of CCTV cameras in the event of an incident.</li> </ul>	<ul style="list-style-type: none"> <li>• Images of known offenders uploaded by the police, enabling you to see who to look out for.</li> <li>• Mugshot galleries of active offenders in the Fleet area.</li> </ul>

**What you need to do**

- Complete the attached Booking Form to sign up to the scheme.

**Did you know**

According to Hampshire Police:

- Fleet has been targeted by shoplifters due to the success of ShopWatch schemes in surrounding towns.

The British Retail Consortium reported that

- Customer theft remains the single biggest component of retail crime, accounting for 83% of all incidents by volume and 56% of the total direct cost of retail crime.
- 40% retailers surveyed see theft by customers as the biggest crime-related threat facing them in the next 2 years.

Count me in	
	Yes please!
I would like a Radio System as part of the FleetWatch Scheme @£26 per month for 1 radio unit and 1 user account paid annually in advance.	
I would like access to the DISC online system. This is FREE to levy paying businesses in the BID area.	
Guidance and training on using the radio system and DISC	✓
